

I am concerned about the recent proposal to expand LPFM stations. I currently listen to K-LOVE, a national broadcast, and would regret the loss of being able to access this fine programming aired via a local radio station.

K-Love serves me in my hometown by providing positive and encouraging biblical messages that help to maintain my optimism through the day.

If K-LOVE were displaced, my community would be void of a contemporary Christian radio station.

The service provided by K-LOVE is in the public interest because it is a factor in helping to bring people to develop a relationship with the Lord Jesus Christ; the most important relationship that one can have.

Please allow K-LOVE to continue to be aired in my community.

Thank you for your attention to this matter.
